This timetable lists the undergraduate courses (subjects) being offered in S1 2009 as part of the UNSW Bachelor of Laws (LLB) degree. Enrolment in these courses is restricted to law students only.

Law students from other universities are welcome to apply for cross-institutional study, but due to our system of small-class teaching are restricted in their choice of enrolment.

DISCLAIMER

The courses and timetabling details are subject to alteration.

Updated timetables will be posted on the Law School website at regular intervals up until the start of S1.

The Law School reserves the right to discontinue or vary such courses or staff allocations at any time. If there is a discrepancy between the information posted on myUNSW and the timetable on the Law School website, please contact the Faculty of Law Student Services Office for advice.

ROOM ALLOCATIONS

The room allocations are subject to change. Please check the timetable on the Law School website prior to the start of session

International Exchange Students From Other Law Schools

Core Courses

Enrolment in the compulsory core courses is generally restricted to UNSW LLB students.

In special circumstances exchange students may be permitted to enrol in the core courses providing all prerequisites have been met and there are spaces available.

Elective Courses

Enrolment in the Kingsford Legal Centre courses (Clinical Legal Experience) is restricted to UNSW students only as places are limited.

Enrolment in other electives is possible providing all prerequisites have been met and there are spaces available.

Due to limited places available in each elective, exchange students should lodge their application for admissions as early as possible (see below).

Deadline for Lodging Applications

The Law School teaches in small classes and is only able to reserve a small number of places in each class. For this reason, exchange students are strongly advised to confirm their preferred electives by the first week of December if possible.
