Interested in securing a career in business?
Set yourself up for next summer's work placement opportunities.

Bridge the GAP. Get the job.

Open to students in BUSINESS, SCIENCE, ENGINEERING and LAW.

GAP - the Graduate Advantage Program is designed by industry and UNSW to assist students in developing the professional skills employers are really looking for. Our industry partners are keen to give UNSW students the Graduate Advantage when entering the job market.

In 2012 GAP is open to UNSW student who:

- Are in their penultimate year of study (second last year of study)
- Have a credit average or above
- Can demonstrate a strong interest in securing an internship role with GAP Industry Partner organisations in the pursuit of a career in business
- Are studying degree within the Australian School of Business, or the faculties of Engineering, Science or Law
- Are Australian citizens or have permanent residency

GAP is offered in one intensive week during winter break from 9th – 13th July 2012.

Online applications are now open and will close 9am Monday 21st May 2012.

Up to 60 places available.
